Example :

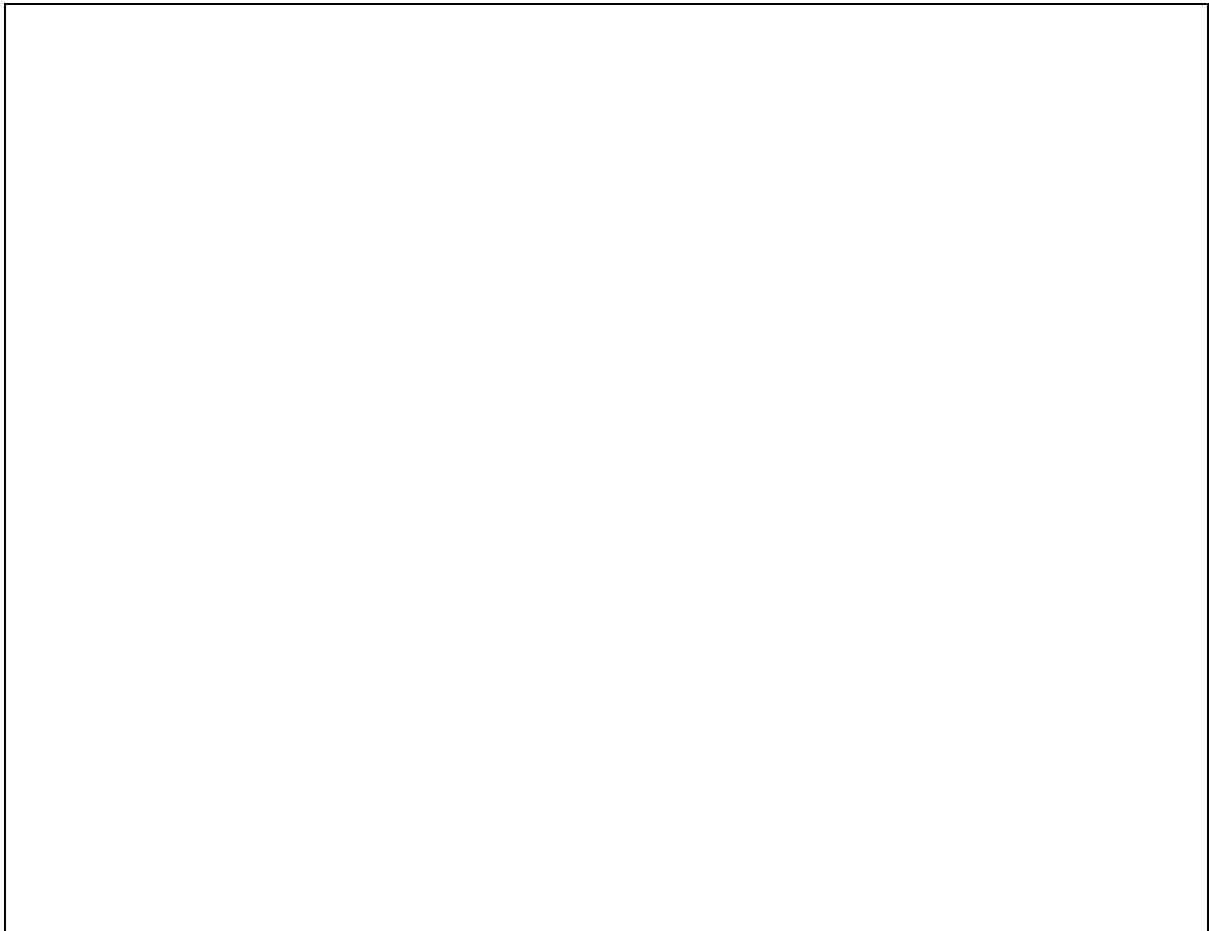

Tim was born in Malaysia but spent two years in Vietnam, which inspired his MONIN Coffee Creativity Cup drink for the regional heat. Before joining the Workshop in Ho Chi Minh in 2016, he was a barista at the 43 Coffee Factory Roaster in Da Nang for over a year and spent six months bartending in various hotels in Da Nang. Tim is passionate about badminton and coffee, which gives him the ambition to have his own café someday. The smell of the fresh brewing coffee in the morning mixed with the fresh smell of cut grass was what inspired him to create his coffee beverage.
